iHub Drishti Foundation (iHub Drishti) is a Section-8, Not-for-profit Company, promoted by and at the Indian Institute of Technology Jodhpur under a National Mission on Interdisciplinary Cyber Physical Systems (NM-ICPS) of the Government of India. iHub Drishti is a Technology Innovation Hub focused around “Computer Vision, Augmented Reality and Virtual Reality.”

iHub Drishti Foundation invites applications from Indian Nationals possessing an excellent academic background and relevant experience for the post of:

Job Title: Animator and Motion Graphics Artist

Position Overview:

We are seeking a talented and creative Animator and Motion Graphics Artist to join our dynamic team. As an Animator and Motion Graphics Artist, you will be responsible for implementing captivating animations and motion graphics within Unity and Unreal Engine projects. Your role will involve collaborating closely with the design and development teams to seamlessly integrate animations into interactive experiences, ensuring they align with the project's overall artistic vision and design aesthetics.

Key Responsibilities:

1. Animation Development:
 - Develop and implement character, object, and environmental animations for interactive experiences within Unity and Unreal Engine.
 - Work closely with the development team to bring characters and environments to life through engaging and realistic animations.
2. Motion Graphics Design:
 - Design visually appealing motion graphics for various elements, including UI elements, transitions, and special effects.
 - Create compelling and immersive visual experiences by incorporating motion graphics seamlessly into the overall project design.
3. Collaboration:
 - Collaborate with design and development teams to understand project requirements and integrate animations seamlessly into Unity and Unreal Engine projects.
 - Provide creative input and contribute to the overall design process, ensuring animations enhance the user experience.

4. Quality Assurance:
 - Optimize animation assets to ensure smooth performance within the game engine.
 - Troubleshoot and address any issues related to animation performance, ensuring a seamless and immersive user experience.
5. Aesthetic Alignment:
 - Ensure that all motion graphics align with the project's overall artistic vision and design aesthetics.
 - Contribute to the development of a cohesive and visually stunning game environment.
6. Any other tasks assigned by the management.

Essential Qualification:

- Bachelor's degree in Animation, Motion Graphics, Game Design, or a related field.

Desirable:

- Proven experience as an Animator and Motion Graphics Artist, with a strong portfolio showcasing relevant work.
- Proficiency in Unity and Unreal Engine animation tools and workflows.
- Solid understanding of animation principles and techniques.
- Experience in 3D animation and knowledge of industry-standard animation software.
- Ability to provide and receive constructive feedback.
- A passion for creating visually stunning animations and motion graphics.
- Ability to think creatively and contribute innovative ideas to enhance the overall project.

If you are a creative individual with a passion for animation and motion graphics, and you thrive in a collaborative team environment, we invite you to apply for this exciting opportunity to contribute to the development of immersive and visually compelling interactive experiences.

Compensation: 6LPA-10LPA

No. of positions: 1

Information regarding the application process:

Applications will be accepted via (<http://tinyurl.com/5n6cfxr>). Interested candidates may apply by sending their CV covering educational and professional qualifications in the relevant field along with work experience, last salary drawn, contact details, and references with necessary self-attested documentary evidence by filling the above-mentioned form **till 4th January, 2024.**
